## **2 Williams Family Law Attorneys Named as 2014 PA Super Lawyers and Rising Star**

Williams Family Law, P.C. is pleased to announce that Founder and Managing Partner Jeffrey M. Williams has been named a 2014 Pennsylvania Super Lawyer by Thomson Reuters. To attain Super Lawyer status, attorneys first must be nominated by their peers across the state of Pennsylvania; only 5 percent of the state's 50,000 lawyers make it through the rigorous selection process.

This marks the 10th year that Williams has been recognized as a Super Lawyer, having been named to the list each year since 2005. Williams focuses on complicated divorce and child support cases, high-income spousal support and alimony issues, and high-conflict custody cases. U.S. News and World Report named him among the Best Lawyers in America®, and he is often cited as one of Pennsylvania's top family law attorneys and one of Bucks County's leading divorce lawyers.

Published annually in Philadelphia Magazine, Super Lawyers is a rating service of outstanding lawyers from more than 70 practice areas who have attained a degree of peer recognition and professional achievement. The selection process is multi-phased and includes independent research, peer nominations and peer evaluations.
