Philadelphia and Delaware intellectual property litigation attorney [John D. Simmons](#) represented Dominion Resources in *Dominion Resources Inc. and Virginia Electric and Power Co. v. Alstom Grid Inc.* A federal judge determined that Alstom Grid was guilty of patent infringement of Dominion's energy-conservation software. The verdict was included in The Legal Intelligencer's "Top Pennsylvania Verdicts of 2016." Along with a team of highly skilled attorneys, Simmons secured \$486,000 for his client.
