Date: September 22, 2021, at 11:00 a.m.

Location: Webinar

Details: On September 22, 2021, [Panitch Schwarze](#) partner [Philip Hirschhorn](#) will moderate a webinar panel at the [European American Chamber of Commerce](#) entitled [Patentability of AI Driven Inventions: The Push for Legislature to Play Catch up](#).

The program will delve into AI and its effect on commerce (Research & Development), Intellectual Property (IP), and the regulatory framework, including:

- Primary AI matters, including how it is being handled in various countries
- An update on the landmark case, *Device for the Autonomous Bootstrapping of Unified Sentience (DABUS) (Thaler v. lancy)* in the U.S., Europe, and Australia.
- How the World Intellectual Property Organization (WIPO) is confronting the policy and practical concerns surrounding AI
- How corporations are utilizing AI and navigating the IP implications
