Pharmaceuticals / Biotechnology / Chemicals

Panitch Schwarze Belisario & Nadel LLP serves the pharmaceutical, biotechnology and chemical industries, helping companies/clients safeguard and enforce their intellectual property, while avoiding infringement of valid intellectual property rights of others. We take the time to get to know our clients and their businesses to determine what needs to be protected by patents, trademarks and trade secrets. We conduct freedom to operate and due diligence analyses to assist our clients in making decisions on mergers and acquisitions, collaborations and research and development on new products.

Our intellectual property attorneys handle a wide variety of biotech, chemical and pharmaceutical industry intellectual property matters and technology including:

- Small molecule therapeutics
- Biopharmaceuticals
- Gene therapies
- Formulations
- Methods of treatment
- Diagnostic tools and methods
- Biomarkers
- Preparation and use of natural products
- Transgenic animals and plants
- Stem cells
- Tissue graphs
- Vaccines
