PHILADELPHIA (July 10, 2014) – Panitch Schwarze Belisario & Nadel LLP is pleased to announce that **Ronald L. Panitch, William W. Schwarze, Martin G. Belisario, Alan S. Nadel, and Clark A. Jablon** have been ranked as “Leaders in their Field” in the 2014 Chambers & Partners USA Directory for the field of Intellectual Property.

Chambers & Partners USA is a referral guide to leading lawyers in the United States based on the opinions of peers and clients. The rankings are based on qualities including technical legal ability, professional conduct, commercial astuteness, diligence and commitment. According to clients interviewed by Chambers, Panitch Schwarze clients have stated that “*They are very good at giving advice on how to manage the process in terms of protecting our company and technology. Lots of depth and very responsive to our needs and requests.*”

Ronald L. Panitch is an established figure in the market for consultation work on patent and trademark issues. He brings tremendous experience to his consultative role, and is lauded for his impressive ability to negotiate and design creative settlements in IP disputes.

William W. Schwarze focuses on matters involving chemical and foreign patents, and has many clients in the medical arts. He manages the firm's chemical and foreign patent practices. He earns client praise for his “*experience and good, comprehensive advice.*”

Martin G. Belisario practices intellectual property and technology law, including representation before the United States Patent and Trademark Office and foreign patent offices, technology licensing, counseling and litigation. He gains particular praise from clients for his ability to “*explain risks and remain practical.*”

Alan S. Nadel is experienced in all aspects of patent matters involving bioscience, chemical and mechanical inventions, including patent preparation, prosecution, licensing and litigation.

Clark A. Jablon focuses his practice on all phases of patent prosecution, including drafting and prosecuting patent applications, preparing patentability and infringement opinions, conducting intellectual property due diligence investigations and providing litigation support for patent cases. He is highly regarded by clients for his patent prosecution work, with one noting: “*Claim construction is a particular strength of his,*” adding that “*he utilizes a collaborative style that is very effective at capturing the essence of our inventions.*”
