Pennsylvania and Delaware intellectual property law firm ranked nationally and in Philadelphia metro area for excellence in patent and trademark law and IP litigation

PHILADELPHIA (November 2018)

– The intellectual property law firm [Panitch Schwarze Belisario & Nadel LLP](#) is proud to announce that it has been named a “Best Law Firm” by U.S. News – Best Lawyers® for 2019, once again achieving national rankings in the practice areas of intellectual property litigation, patent litigation, patent law, and trademark law.

The firm also has been ranked Tier 1 in the Philadelphia area for intellectual property litigation, patent litigation, and patent law, while also achieving a ranking in trademark law.

Best Law Firm rankings are based on a rigorous evaluation process that includes the collection of client and lawyer evaluations, peer review from leading attorneys in their field and review of additional information provided by law firms as part of the formal submission process.

The highest honor, a Tier 1 ranking, is based on a firm's overall evaluation. This is derived from a combination of its clients' impressive feedback, the high regard that lawyers in other firms in the same practice area have for the firm, and the information that the firm provided to Best Lawyers via a survey.

To be eligible for a Best Law Firm ranking, a firm must have at least one lawyer named among The Best Lawyers in America. Attorneys are neither required nor allowed to pay a fee to be listed. For 2019, [seven of the firm's attorneys have been recognized among Best Lawyers](#), with one, partner Ronald L. Panitch, also being named Lawyer of the Year in the practice

area of trade secrets.
