IP Partner at Panitch Schwarze Belisario & Nadel Speaks at Law Review CLE

April 25, 2011

- [Share Link](#)

PHILADELPHIA (April 25, 2011) – [Alan S. Nadel](#), a Partner at Panitch Schwarze Belisario & Nadel LLP was a speaker at the LawReviewCle's "Introduction to Copyright, Trademark & other Intellectual Property Law CLE" on March 31, 2011, at the Radisson Plaza Warwick Hotel in Philadelphia. The class was intended as an introductory course for attorneys who were looking to get started in Intellectual Property Law or business attorneys who wanted to better advise their clients on proper IP protection. Mr. Nadel spoke about patent law topics.

Nadel is a founding partner of Panitch Schwarze Belisario & Nadel LLP and is experienced in all aspects of patent matters involving bioscience, chemical and mechanical inventions. Specific exemplary high-technology fields of concentration include biotechnology, human and veterinary pharmaceuticals, nutritional products, inorganic and organic chemistry products and processes, semiconductor wafer processing products and processes, and environmental remediation systems.

Mr. Nadel is listed in every edition of The Best Lawyers in America since 2006 and was named in a survey of his peers as a Pennsylvania "Super Lawyer" every year since 2005. He has also been named in every edition of Chambers USA: America's Leading Business Lawyers since the guide's inception in 2003.

About Panitch Schwarze Belisario & Nadel LLP – Panitch Schwarze Belisario & Nadel LLP is a boutique intellectual property law firm based in Philadelphia, PA and Wilmington, DE. Our attorneys provide strategic advice concerning litigation, licensing, and counseling services relating to patents, trademarks, copyrights, trade secrets, domain names, and internet issues domestically and internationally. We have experience across the sciences, in technology, and in branding, ranging from semiconductors and computer software to household products and toys.
