### Panitch Schwarze Attorney Lars Genieser Participates in Advisory Council of the Princeton University Department of Chemical & Biological Engineering

April 16, 2021

- [Share Link](#)

**Date:** April 19 and 20, 2021

**Location:** Princeton University

**Details:** Panitch Schwarze Partner [Lars H. Genieser, Ph.D.](#) will participate as a member of the 12-person Advisory Council of the Princeton University Department of Chemical & Biological Engineering.

Advisory Council members will attend presentations sponsored by the Department and Princeton University faculty and leadership. Additionally, members convene with and obtain input from undergraduate and graduate students. Based on identified opportunities and challenges, the Advisory Council reports and provides recommendations for action to the Department of Chemical & Biological Engineering.

Dr. Lars Genieser is a registered patent attorney who focuses his patent prosecution practice on pharmaceuticals, biotechnology, and chemical, material science, and medical technologies. He successfully develops and implements global patent protection strategies, prepares patentability and freedom-to-operate opinions, and prepares technology licenses.

**About Panitch Schwarze Belisario & Nadel LLP** – Panitch Schwarze Belisario & Nadel LLP is a boutique intellectual property law firm with offices in Philadelphia and Wilmington, Delaware. The firm's IP law practitioners provide strategic litigation, licensing and counseling service relating to patents, trademarks, copyrights and trade secrets, domain names and internet issues domestically and internationally. The firm's long-standing relationships with a network of associates worldwide enable its attorneys and advisors to provide clients with global intellectual property advice and protection.
