Lonnie Johnson, inventor of the patented Super Soaker® water gun, recently was interviewed for CBS News by Mo Rocca. Johnson is a client of Panitch Schwarze's.

In the interview, Johnson talked about his invention that changed summer for kids all over the world – the Super Soaker. A longtime inventor, Johnson began his career at NASA's Jet Propulsion Laboratory. He accidentally invented the Super Soaker while attempting to build a new water pump. He also is the inventor of the nerf gun.
